

TIME FOR UNITY: A MESSAGE FROM THE VETERANS POLITICAL ACTION COMMITTEE (VPAC)

During World War I, W.E.B. DuBois called upon African Americans to “close ranks” with their white brethren as there was a greater enemy over there – referring to the undemocratic powers of Europe and Asia. DuBois asked African Americans to put their grievances aside for the moment and stand with their brothers of another hue.

Today, here in America, we face a more dangerous enemy (from within) that is undermining civil liberties and threatening our Democracy. In the 1st Congressional District of Maryland, Rep. Andy Harris consistently supports insurrectionists and rebukes duly elected national officers; thereby presenting a “clear and present danger” to everything we hold dear.

As a veteran of the United States Armed Forces who took the oath to protect and defend the Constitution of these United States, I am asking the people of the 1st Congressional District to “close ranks” and support Heather Mizeur for the 1st District Congressional race.

I worked with Heather on the John Kerry Campaign in 2004 and after I retired from the Maryland House of Delegates, I observed her legislative skills to include an extraordinary intellect in the affairs of government and in particular, the Maryland General Assembly. She can win!

Let’s us come together, in unity, put our differences on the side for the moment, and concentrate on preserving our Democracy. That is what this election is about.

I thank each of you for your time and especially my friend and former colleague, Barbara Kremer. May God render us strength to overcome personal whims and pursue the greater needs of America.

Sincerely,

Clarence “Tiger” Davis
